

Delicious and guilt-free

At Sweet Naturally, we source our ingredients from local farmers, mills and businesses. Our ingredients are, whenever possible, organic, natural and sustainably produced.

There is nothing artificial in our baked goods, no artificial sweeteners, no preservatives, no food colorings and no stabilizers. We make sure what go into our baked goods are not only delicious but also good for you!

- Organic unbleached flour
- Organic agave syrup
- Organic sugar / sweetener
- Free-range eggs

...and much more!

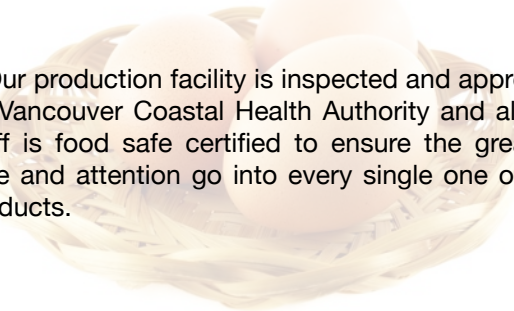

“Life is full of Sweet Adventures!”

Made in Beautiful British Columbia

All our delicious baked goods are produced in North Vancouver BC inside a commercial facility.

Our production facility is inspected and approved by Vancouver Coastal Health Authority and all our staff is food safe certified to ensure the greatest care and attention go into every single one of our products.

• **Organic fruit bars**

Delicious fruit bars made with fresh seasonal fruits.

• **Organic Raisin Scones**

Traditional English Scones made with organic ingredients, best served with Devon cream and fruit preserves.

• **Organic cupcakes**

Selection of organic cupcakes topped with delicious frostings.

• **Natural Oatmeal Cookies**

Selection of our signature Gojiberry Oatmeal Cookies and Triple Chocolate Oatmeal Cookies made with organic whole wheat flour, free-range eggs, organic agave syrup and Himalayan rock salt.

“ I've never been to a professional pastry school, my Grandmother and my curiosities taught me everything I know about baking!

My philosophy is simple, the best and freshest local ingredients and turn them into sweet delicious guilt-free treats! ”

Frances Tsai
Owner, Sweet Naturally Bakery

Environmentally Friendly

At Sweet Naturally, we make sure we do not create any negative impact on our environment. We use environmentally friendly baking cups and paper and all our packaging are made out of recyclable materials and minimum artificial materials.

Our products are packaged with recycled natural unbleached paper and PLA, we make sure our delicious products are enjoyed while creating minimal waste to our environment.
